

# Tips For Pet Owners To Rent A Home

Pet parents certainly want their hairy friends to accompany them along into their new rental home. Here are some tips for pet owners to follow before renting a home.

Always ask property owners about their pet policy.

When property owners aren't fully convinced, ask for a trial period.

Gather references from your friends to show property owners that you & your pet can be trusted.

Look out for a rental property that is pet-friendly to avoid any hassle at the first place.

Do not try to sneak in your pet into the rental home. Rather honestly communicate with the property owner.

Make sure that all the agreed rental terms are in writing and also get it signed by the property owner.
