

Everything A Renter Must Know

Here are some points which a renter must consider before signing an agreement.

**GREAT
DEAL!**

1 Consider the deposit and cost of living such as utility expenses, transportation, etc. in addition to the monthly rent.

2 Ask about the move-in and move-out policies of the property before signing the agreement & plan accordingly.

3 Make sure that you understand all the terms of agreement. Also, you can ask the property manager for additional clarification.

4 Thoroughly read the lease agreement and check if it includes all the potential fees like pet fee, amenity fee etc.

5 Document any damage in the property at the time of moving by clicking time stamped pictures & send them to the property owner.
